

Cut

Medium Duty

Whatever industry, the HyFlex indicator system helps the wearer to select the right protection for the job

- The smart combination of abrasion and cut resistance. Provides not only the protection needed in dry and slightly oily environments, but also educates workers to understand risk levels
- Designed to make the selection of hand protection easy. The indicator system on these HyFlex gloves simplifies the selection of the right glove for the job for increased worker safety
- The color indicator system on the glove ensures the wearer of always having the appropriate cut level performance

Industries

- Automotive
- Chemical

Applications

- Handling metal sheets & panels
- Handling parts with sharp, rough edges
- Applying sealers, touching up
- Production line support & maintenance
- Loading and unloading trucks and vehicles
- Handling incoming goods
- Handling outgoing goods: cans, vessels, bulkpack and cartons
- Loading trucks & vehicles
- Product shipping, transport and delivery
- Maintenance
- Lock smith

Previously known as: Puretough™P3000TROPIQUE
