## Power tools for trade & industry

Cordless Drill/Driver

## GSR 12V-15

Drill driver with well-balanced performance and compactness in Bosch's 12 V category

### The most important data

|                                     |                         |
|-------------------------------------|-------------------------|
| Torque (soft/hard/max.)             | 15/30/- Nm              |
| No-load speed (1st gear / 2nd gear) | 0 – 400 / 0 – 1,300 rpm |
| Battery voltage                     | 12.0 V                  |

**Part Number** 0 601 868 101

## Technical data

### Technical data

|  |                         |
|--|-------------------------|
| Torque (soft/hard/max.)                        | 15/30/- Nm              |
| No-load speed (1st gear / 2nd gear)            | 0 – 400 / 0 – 1,300 rpm |
| Chuck capacity, min./max.                      | 1 / 10 mm               |
| Battery voltage                                | 12.0 V                  |
| Torque settings                                | 1                       |
| Packaging dimensions (width x length x height) | 215 x 95 x 360 mm       |
| Weight incl. battery                           | 0.95 kg                 |

## Noise/vibration information

### Drilling in metal

|                             |                      |
|-----------------------------|----------------------|
| Vibration emission value ah | 1.5 m/s <sup>2</sup> |
| Uncertainty K               | 2.5 m/s <sup>2</sup> |

### Screwdriving

|                             |                      |
|-----------------------------|----------------------|
| Vibration emission value ah | 1.5 m/s <sup>2</sup> |
| Uncertainty K               | 2.5 m/s <sup>2</sup> |

Power tools for trade & industry

## Advantages:

- 30 Nm hard torque and 0-1,300 rpm offer an ideal combination of power and size
- Compactness enables optimum handling and makes it ideal for working overhead and in tight spaces
- Electronic Cell Protection prevents overload, overheating, and deep discharge
