

# Swivel flange SNC-32

Part number: 174383

 [General operating condition](#)

## Data sheet

| Feature                        | Value                                                                     |
|--------------------------------|---------------------------------------------------------------------------|
| Size                           | 32                                                                        |
| Based on standard              | ISO 15552 (previously also VDMA 24562, ISO 6431, NF E49 003.1, UNI 10290) |
| Corrosion resistance class CRC | 1 - Low corrosion stress                                                  |
| LABS (PWIS) conformity         | VDMA24364-B2-L                                                            |
| Ambient temperature            | -40 °C ... 150 °C                                                         |
| Product weight                 | 93 g                                                                      |
| Note on materials              | RoHS-compliant                                                            |
| Material mounting              | Die-cast aluminium                                                        |
| Material bolt                  | Steel<br>Galvanised                                                       |
| Material screws                | Steel<br>Galvanised                                                       |
| Material lock                  | Spring steel<br>Galvanised                                                |
