

6MV-7

Insulated Open End Wrench 7 mm

PRODUCT DETAILS

- Dip-coated insulation
- 2-Layer colour insulation coating 6 mm to 16 mm wrenches
- 3-Layer colour insulation coating 17 mm to 32 mm wrenches
- For working on live equipment up to 1000 V according to IEC 60900
- Made of high performance alloy steel
- Opening tolerance according to ISO 691
- 2-3 Multi-layer coating with different colours indicating safety, danger or high danger. Plus a 4th one in black to further protect handle edges
- This provides protection as well as creating a visual warning system
- If the outer insulation layer gets damaged, the lighter colour underneath will become visible and warn the user
- Each and every tool is tested to 10.000V for 10 seconds at the end of the manufacturing cycle
