

**Indicator insert**  
**MFL-24DC/AC**  
Part number: 10004

 [General operating condition](#)

**Data sheet**

| Feature                          | Value                                  |
|----------------------------------|----------------------------------------|
| Product weight                   | 15 g                                   |
| Electrical connection            | Type B<br>To industry standard (11 mm) |
| Nominal operating voltage DC     | 24 V                                   |
| Nominal operating voltage AC     | 24 V                                   |
| Mains frequency                  | 0 Hz ... 60 Hz                         |
| Permissible voltage fluctuations | +/- 15%                                |
| Degree of protection             | IP65<br>To IEC 60529                   |
| Ambient temperature              | -20 °C ... 60 °C                       |
| LABS (PWIS) conformity           | VDMA24364-B2-L                         |
| Material housing                 | PA6 reinforced                         |
