

# Swivel flange SNCB-50

Part number: 174392

FESTO

 [General operating condition](#)

## Data sheet

| Feature                                            | Value                                                                                                                                                    |
|----------------------------------------------------|----------------------------------------------------------------------------------------------------------------------------------------------------------|
| Size                                               | 50                                                                                                                                                       |
| Based on standard                                  | ISO 15552                                                                                                                                                |
| Corrosion resistance class CRC                     | 1 - Low corrosion stress                                                                                                                                 |
| LABS (PWIS) conformity                             | VDMA24364-B2-L                                                                                                                                           |
| Suitability for the production of Li-ion batteries | Metals with more than 5% by mass of copper are excluded from use.<br>Exceptions are printed circuit boards, cables, electrical plug connectors and coils |
| Ambient temperature                                | -40 °C ... 90 °C                                                                                                                                         |
| Product weight                                     | 232 g                                                                                                                                                    |
| Note on materials                                  | RoHS-compliant                                                                                                                                           |
| Material mounting                                  | Die-cast aluminium                                                                                                                                       |
| Material bolt                                      | Galvanised steel                                                                                                                                         |
| Material bearing                                   | Polymer                                                                                                                                                  |
| Material disc                                      | Galvanised steel                                                                                                                                         |
| Material screws                                    | Galvanised steel                                                                                                                                         |
| Material lock                                      | Spring steel, galvanised                                                                                                                                 |
