

**Union nut**  
**MCK-PK-3**  
Part number: 205254

 [General operating condition](#)

**Data sheet**

| Feature                                       | Value                                                                            |
|-----------------------------------------------|----------------------------------------------------------------------------------|
| Size                                          | Female thread M6x0.75                                                            |
| Operating pressure complete temperature range | 0 MPa ... 1 MPa                                                                  |
| Operating pressure complete temperature range | 0 bar ... 10 bar                                                                 |
| Operating pressure complete temperature range | 0 psi ... 145 psi                                                                |
| Corrosion resistance class CRC                | 2 - Moderate corrosion stress                                                    |
| LABS (PWIS) conformity                        | VDMA24364-C1-L                                                                   |
| Ambient temperature                           | -10 °C ... 60 °C                                                                 |
| Pneumatic connection, port 1                  | For tubing outer diameter of 4 mm<br>For barbed fitting I.D. 3 mm with union nut |
| Material union nut                            | Wrought aluminium alloy, anodised                                                |
| Note on materials                             | RoHS-compliant                                                                   |
