

# Adapter kit HAPG-92

Part number: 539887

 [General operating condition](#)

## Data sheet

| Feature                        | Value                                                                         |
|--------------------------------|-------------------------------------------------------------------------------|
| Mounting position              | optional                                                                      |
| Corrosion resistance class CRC | 2 - Moderate corrosion stress                                                 |
| LABS (PWIS) conformity         | VDMA24364-B2-L                                                                |
| Product weight                 | 175 g                                                                         |
| Type of mounting               | Via female thread and centring sleeve<br>Via through-hole and centring sleeve |
| Material plate                 | Wrought aluminium alloy                                                       |
