Item #	EAN	Product
861527	3660338163043	2-plies
861528	3660338163050	3-plies

Description

Blue hygiene mask* made in non-woven polypropylene
Available in 2-plies (861527) or 3-plies versions (861528)
Welded latex-free earloops
Metallic nosepiece fully covered and protected
Ensure hygienic conditions of the user's environment

* Warning: this mask is a hygiene mask and is not a protective mask (not PPE CE & EN149) nor a surgery mask (not MD CE & EN14683)

Applications

Agrofood, catering
Miscellaneous industries, maintenance, logistics
Medical care (non-surgical nor invasive)

Characteristics

- Material	Polypropylene non-woven
- Color	Blue
- Dimensions	17,5x9cm (+/-1)
- Making	Latex-free elastic

Instructions & storage

- Place the blue side external (white side on the mouth), and the nosepiece on the top
- Fit the earloops, adjust the mask to make sure that all the mouth and nose are covered (pull under the chin), then fold the nosepiece to make the mask fit to your morphology (a good fit will improve hygiene, comfort and will avoid any mist when glasses are simultaneously worn)
- Do not reuse
- Store between 10 and 30°C, away from light, ozone and moisture

Packaging

- Box of 100 units		
- Carton of 10 boxes (1000 units, 861527) or 5 boxes (861528, 500 units)
