

Vertical pressure supply plate VABF-L1-P3A3-G18

Part number: 574593

FESTO

Data sheet

Feature	Value
Grid dimension	16 mm
Short type code	VABF
Max. number of valve positions	1
Symbol	00995306
Operating pressure	-0.9 bar ... 10 bar
Corrosion resistance class CRC	2 - Moderate corrosion stress
Approval	RCM trademark c CSA us (OL) c UL us - Recognized (OL)
Max. tightening torque for valve mounting	0.65 Nm
Product weight	350 g
Pneumatic connection, port 1	G1/8
Note on materials	RoHS-compliant
Material plate	Wrought aluminium alloy
