

**Manifold rail**  
**MHJ9-P16**  
Part number: 553125

 [General operating condition](#)

**Data sheet**

| Feature                        | Value                                                        |
|--------------------------------|--------------------------------------------------------------|
| Grid dimension                 | 10 mm                                                        |
| Max. number of valve positions | 16<br>Versions according to customer specifications possible |
| Corrosion resistance class CRC | 2 - Moderate corrosion stress                                |
| LABS (PWIS) conformity         | VDMA24364-B2-L                                               |
| Product weight                 | 428 g                                                        |
| Type of mounting               | Via mounting bracket                                         |
| Pneumatic connection, port 1   | G1/2                                                         |
| Pneumatic connection, port 2   | M7                                                           |
| Note on materials              | RoHS-compliant                                               |
| Material manifold rail         | Wrought aluminium alloy, anodised                            |
