

## NON WOVEN FLAP WHEEL

### Applications

Metals, wood, composite and plastics

### Strong points

Open mesh construction resists clogging. Delivers a consistent & uniform finish with no risk of gouging.

### Characteristics

Ref.	EAN	Use	Specification	Exterior diameter mm	Length mm	Grain	Rod diameter mm	Max speed m/s	Colour
886337	3660338397707	For removal of oxidation, paint, corrosion and generating grain finishes	Non woven material	40	20	Medium	6	40	Brown
886338	3660338397714	For removal of oxidation, paint, corrosion and generating grain finishes	Non woven material	40	20	Fine	6	40	Brown
886339	3660338397721	For removal of oxidation, paint, corrosion and generating grain finishes	Non woven material	40	20	Very fine	6	40	Brown
886340	3660338397738	For removal of oxidation, paint, corrosion and generating grain finishes	Non woven material	60	30	Medium	6	40	Brown
