839972	3660338055430	8
839973	3660338055447	9
839974	3660338055454	10

Description

Protective gloves made entirely from lambskin,
With elasticated back for optimum fit.
Made from fine leather, these gloves are supple and comfortable to wear.
Perfect for use in dry environments.

Use instructions/ Applications

Protective glove for mechanical risks and with no chemical, microbiological, electrical or thermal hazards.
Manipulation of hand tools and portable electric tools. Mounting and assembly. Storage, warehousing.
Maintenance and servicing.

Usage limits

We draw the attention of users to the fact that gloves with tear resistance (level ≥ 1) must not be used when there is a risk of catching in moving machines. These gloves do not contain any substances known to be carcinogenic or toxic. Contact with the skin may cause allergic reactions in sensitive persons (natural latex, in the cuff wrists of some gloves). In the event of a reaction, cease use and consult a doctor.

Storage/Cleaning instructions

Store in a cool, dry place away from frost and light in their original packaging. No special maintenance is recommended for these types of gloves. Do not wash the gloves.
