865673	3660338199158	500KG

Description

Easy to transport and store thanks to the folding backrest.
 Made of beige lacquered steel (2 coats of paint).
 Extended and reinforced tray covered with a 2mm vulcanised anti-slip mat and fitted with blue rubber bumpers.
 Anti-pinch mechanism at the base of the backrest to protect fingers and the folding mechanism.
 4 heavy-duty nylon castors with non-staining rubber tyres, 2 of which are rear swivel castors.
 These castors allow a completely silent movement with low resistance to starting.
 Model 150 and 300kg delivered assembled.
 Model 500kg delivered disassembled
