

## Product Information

# 98 13 50

- Ergonomically optimised dual component handle for fatigue reduced work and optimum transmission of force
- Handle design prevents rolling

## Screwdriver for hexagon socket screws

**1000V**

| General                       |                                                  |
