

ODOR REMOVER G-STOP ODOR

Item #	EAN	Product
848136	3660338091070	G-STOP ODOR

Description

The odour destroying spray is a perfuming solution designed to fight effectively and durably against bad smells. G'STOP ODOR is to be sprayed into the air or directly onto surfaces. Capacity 500 ml.

Curative: it destroys the existing malodorous molecules.

Preventive and economical: thanks to its great remanence. Pleasantly scented with green hyacinth. Destroys the bacteria that cause bad smells. Does not stain. Acts on all bad smells by destroying them permanently.

Chemical nature

- Fragrance composition.
- Ethanol.
- Non-ionic surfactants.

Instructions for use

A few sprays are enough to perfume for 24 hours (closed room).

Spray according to the volume of the room and the desired persistence.

On surfaces Spray on tile complaints, floor mats, tiles, sanitary facilities, etc.
