

# Suction cup complete VASB-15-1/8-PUR-B

Part number: 1395671

FESTO

## Data sheet

 [General operating condition](#)

| Feature                                     | Value                                           |
|---------------------------------------------|-------------------------------------------------|
| Height compensator for suction cup          | 5.6 mm                                          |
| Nominal size                                | 3 mm                                            |
| Suction cup diameter                        | 15 mm                                           |
| Suction cup volume                          | 0.83 cm <sup>3</sup>                            |
| Effective suction diameter                  | 12.4 mm                                         |
| Position of connection                      | Top                                             |
| Mounting position                           | optional                                        |
| Symbol                                      | 00991485                                        |
| Suction cup shape                           | Round bellows 1.5 convolutions                  |
| Operating pressure                          | -0.095 MPa ... 0 MPa                            |
| Operating pressure                          | -0.95 bar ... 0 bar                             |
| Operating pressure                          | -13.775 psi ... 0 psi                           |
| Nominal operating pressure                  | -0.07 MPa                                       |
| Nominal operating pressure                  | -0.7 bar                                        |
| Nominal operating pressure                  | -10.15 psi                                      |
| Operating medium                            | Atmospheric air based on ISO 8573-1:2010 [7::-] |
| Corrosion resistance class CRC              | 2 - Moderate corrosion stress                   |
| LABS (PWIS) conformity                      | VDMA24364-A1-L                                  |
| Ambient temperature                         | -20 °C ... 60 °C                                |
| Holding force at nominal operating pressure | 8.5 N                                           |
| Product weight                              | 11 g                                            |
| Type of mounting                            | Via vacuum port                                 |
| Vacuum connection                           | G1/8                                            |
| Colour                                      | Blue                                            |
| Shore hardness                              | 60 +/- 5                                        |
| Material screwed plug                       | Brass                                           |
| Note on materials                           | RoHS-compliant                                  |
| Material suction cup                        | PUR                                             |
