PROMO SET MTA-3 PWC 20 20991004

	HU 30 CROSS-4
	Item no. 12070
Drilling capacity	32 mm
Drilling depth	130 mm
Spindle taper	NT 3
Max. distance spindle table	600 mm
Distance spindle-column	278 mm
Spindle speed values	40-3200 rpm
T slots number / dimensions	3/14 mm
Table dimensions	750 x 200 mm
Distance spindle - table	650 mm
End milling capacity	30 mm
Capacity face milling St. 37	100 mm
Milling head tilting	45 °
Number of speeds of vertical spindle	12R x 12L
Spindle travel	130 mm
Cross/longitudinal travel	510 x 240 mm
Packing dim.	950 x 780 x 195 mm
Engine	1,1 kW
Net weight	380 kg
Voltage	400 V
Brand	Huvema Machine tools
