

# Specification Sheet

## BV 5/1

### Lightweight and powerful backpack vacuum cleaner

KÄRCHER's new BV 5/1 backpack vacuum is designed for quick and effective vacuum cleaning of hard-to-reach, fast turnaround areas such as public transport, aeroplanes, cinemas, theatres and stairwells. Choosing a KÄRCHER BV 5/1 vacuum can dramatically increase productivity in these cleanliness-critical areas. The machine features a 5 litre capacity and a single, powerful vacuum motor.

- Patented Air Stream Comfort strap system, with ventilation and wide adjustment range ensures operator comfort even over long operating periods
- Ergonomic design keeps controls and accessories easy to reach at all times
- Permanent, washable main filter basket allows machine to operate with or without filter bag
- Standard fleece filter bag and optional HEPA filter bag offer exceptional dust filtration
- Wide range of accessories to suit individual applications
