

**Atlas Flap Discs**  
**flap disc 115x22mm 40 grit Atlas Bronze**

Artical Number: 78072707146

EAN: 8719362230438

SizeDerived: 115x22mm

**Description**

Atlas flap discs are engineered for multiple applications including heavy stock removal, blending and finishing. Flap discs have a fast cut and provide a better finish than grinding wheel while having the added benefit of a longer life than fubre discs.

**Features & Benefits**

Fast cutting and good material removal rate

Ideal for use with battery-powered angle grinders: provides best product life per battery charge

Ideal for low and medium pressure applications

Blend of zirconium grain

Cotton cloth

Confortable work and low vibration levels

**Application Data**

Material Application: Steel,Stainless Steel

Machine: Angle Grinder

Process: Grinding

Safety Equipments:
