

# PREMIUM\*\*\* FLAP DISC

LOGLIFE C-TRIM for steel and stainless steel

## + Excellent overall abrasion

Offers not only a long service life, but also exceptional results in terms of abrasiveness.

## + Robust construction

Through the increased number of closely spaced flaps, this disc can withstand even the highest loads.

## + Longest lifetime

The PREMIUM\*\*\* LONGLIFE C-TRIM offers an even longer service life with consistent grinding results.

### TYROLIT Film

The product film can be found on YouTube at [youtube.com/TYROLITgroup](https://youtube.com/TYROLITgroup)

The PREMIUM\*\*\* LONGLIFE C-TRIM flap disc offers the longest lifetime and an excellent stock removal rate. This

flap disc is used both on high alloyed steels and stainless steel, as well as on unalloyed and low alloyed steels.

Problem-free welding as well as edge and surface grinding, particularly when used on powerful angle grinders.
