

## Configuration documentation

### Pneumatic cylinder

**Type code** PRA-DA-040-0080-0-2-2-1-1-1-BAS  
**Material number** 0822351003

#### Description

|                            |             |                                         |
|----------------------------|-------------|-----------------------------------------|
| Series                     | <b>PRA</b>  | Profile cylinder - series PRA           |
| Piston diameter            | <b>040</b>  | Piston diameter 40                      |
| Stroke                     | <b>0080</b> | Stroke in mm                            |
| Threads                    | <b>0</b>    | ISO Threads                             |
| Cushioning                 | <b>2</b>    | Pneumatic cushioning                    |
| Piston                     | <b>2</b>    | Piston with magnet ring                 |
| Piston rod                 | <b>1</b>    | Single                                  |
| Sealings                   | <b>1</b>    | Sealings - standard PUR (-20°C to 80°C) |
| Scraper                    | <b>1</b>    | Scraper - Standard PUR                  |
| Corrosion protection       | <b>1</b>    | Standard                                |
| Piston rod extension       | <b>0</b>    | Without piston rod extension            |
| ATEX                       | <b>000</b>  | Without ATEX                            |
| Trunnion mounting          | <b>0</b>    | Without trunnion mounting               |
| Position trunnion mounting | <b>0</b>    |                                         |
| End covers                 | <b>0</b>    | End covers without surface treatment    |
| Port position              |             |                                         |
| Port position front        | <b>1</b>    | 90° (3h)                                |
| Port position rear         | <b>1</b>    | 90° (3h)                                |

#### Accessories

|                            |            |                                     |
|----------------------------|------------|-------------------------------------|
| Piston rod mountings       | <b>000</b> | No mounting                         |
| Mounting at front cover    | <b>000</b> | No mounting at front cover          |
| Mounting orientation front | <b>00</b>  | Without mounting                    |
| Mounting at rear cover     | <b>000</b> | No mounting at rear cover           |
| Mounting orientation rear  | <b>00</b>  | Without mounting                    |
| Counter bearing            | <b>000</b> | No counter bearing                  |
| Guide units                | <b>000</b> | No guiding unit, no locking element |
| Sensor type                | <b>000</b> | Without Sensor                      |
| Sensor position            | <b>00</b>  | Without sensor position             |
| Fittings front             | <b>000</b> | Front cover - without fitting       |
| Fittings rear              | <b>000</b> | Rear cover - without fitting        |

#### Note:

A specific part number is required for ordering and clearly identifying the configured product. If the part number is not shown under the type code, please save your configuration under "Save project".

#### Spare parts

|                                                     |                   |                               |
|-----------------------------------------------------|-------------------|-------------------------------|
| Piston rod                                          | <b>R480961899</b> | PISTON ROD 040-0080-0-2-1-1-1 |
| Tube                                                | <b>R480963510</b> | TUBE PRA-040-0080-0-1-1       |
| Spare part kit - standard (for cylinder since 2014) | <b>R413000899</b> | SPARE PART KIT PRA/TRB-040-ST |

|                        |                                 |
|------------------------|---------------------------------|
| <b>Type code</b>       | PRA-DA-040-0080-0-2-2-1-1-1-BAS |
| <b>Material number</b> | 0822351003                      |
