

# Solenoid coil VACC-S18-35-A1-2A

Part number: 562908

**FESTO**

## Data sheet

| Feature                                    | Value                                                          |
|--------------------------------------------|----------------------------------------------------------------|
| Type code                                  | VACC                                                           |
| Actuation type                             | Electrical                                                     |
| Mounting position                          | Any                                                            |
| Switching position indication              | no                                                             |
| Duty cycle                                 | 100%                                                           |
| Insulation class                           | H                                                              |
| Coil characteristics                       | 110 V AC: 50/60 Hz, power 3.5 VA                               |
| Permissible voltage fluctuations           | -15 % / +10 %                                                  |
| CE marking (see declaration of conformity) | As per EU low voltage directive                                |
| Corrosion resistance class (CRC)           | 4 - Particularly high corrosion stress                         |
| Degree of protection                       | IP65                                                           |
| Ambient temperature                        | -20 °C ... 60 °C                                               |
| Product weight                             | 530 g                                                          |
| Electrical connection                      | as per EN 175301-803<br>Plug<br>Form A                         |
| Note on materials                          | Contains paint-wetting impairment substances<br>RoHS-compliant |
| Solenoid coil material                     | PA<br>Steel                                                    |
