

**Retaining clip**  
**MKRS-16,5-B**  
Part number: 192289

 [General operating condition](#)

**Data sheet**

| Feature                        | Value                                                       |
|--------------------------------|-------------------------------------------------------------|
| Mounting position              | optional                                                    |
| Corrosion resistance class CRC | 2 - Moderate corrosion stress                               |
| LABS (PWIS) conformity         | VDMA24364-B2-L                                              |
| Ambient temperature            | -30 °C ... 80 °C                                            |
| Product weight                 | 12 g                                                        |
| Type of mounting               | Either:<br>Profile mounting<br>Plug-in<br>With through-hole |
| Note on materials              | RoHS-compliant                                              |
