## Reelworks - 808 Series

The 808 series are a high performance spring rewind hose reels constructed in heavy gauge powder coated steel for use in most low/medium and high pressure applications. The 4 position roller guide arm adjusts for wall, overhead or ceiling mounting positions. All reels come supplied with fitted hose.

## **FEATURES:**

- Corrosion resistant powder coating
- Solid 1" steel axle
- Multi-position ratchet lock
- Spring fully enclosed and lubricated
- Latching of hose at any length
- Guide arm adjustable handling up to 4 positions
- All brass swivel assembly
- C808-450M supplied in white. All other C808 reels are supplied in black

Item	Inlet/outlet	Max pressure	Hose capacity		Dimensions	NW/GW
