

Reelworks - 880 Series

The Redashe 880 Series, are a high performance spring rewind hose reel, constructed in Powder coated steel. Twin supports make this a sturdy low-pressure reel for longer and larger lengths of hose, ideal for compressed air, or water delivery at 70°C. All reels come supplied with a low pressure air/water hose for the mentioned applications.

FEATURES:

- Non-snag roller guide to reduce hose wear
- Latching of hose at any length
- Corrosion resistant powder coated finish, black as standard
- Full flow external swivel assembly, ensures maximum product delivery
- Suitable for floor, wall, ceiling or vehicle mount
- Fully automatic hose rewind for neat and tidy storage
- Dual pedestal base
- Double supported $1\frac{3}{8}$ " axle
- Multi position roller guide assembly
- Externally mounted fully enclosed and lubricated spring assembly

Item	Inlet/outlet (inch)	Max pressure (psi/bar)	Hose capacity		Dimensions (cm)	NW/GW (kgs)
