

**Manifold block**  
**CPX-AB-4-M12X2-5POL-R**  
Part number: 541254

 [General operating condition](#)

**Data sheet**

| Feature                        | Value                                              |
|--------------------------------|----------------------------------------------------|
| Product weight                 | 87 g                                               |
| Degree of protection           | IP65<br>IP67                                       |
| Corrosion resistance class CRC | 1 - Low corrosion stress                           |
| LABS (PWIS) conformity         | VDMA24364-B2-L                                     |
| Note on materials              | RoHS-compliant                                     |
| Material housing               | PA<br>PC                                           |
| Additional functions           | Screening additionally on metal thread<br>Speedcon |
| Electrical connection          | 4x socket<br>5-pin<br>M12<br>Speedcon              |
