Description

Gloves knitted from high density HDPE fiber. (HDPE high density polyethylene) Seamless 13 gauge.
 Grey polyurethane coating on palm and fingertips.
 Great dexterity, excellent grip on dry surfaces.
 Size: 6 to 11

Applications Industrial maintenance, automotive assembly, general handling, taking cables, sharp objects, slippery, handling of raw materials, abrasives, tiles, ceramics, sheet metal ...

Characteristics High-tech fibers: HDPE fibers provide protection against mechanical risks and especially abrasion and cuts.
 Protective coating: PU coating on the palm improves grip and provides better handling of manipulated objects.
