

CLIMBING HELMET MOUNTAIN TOP VENTED

White – Reference 886854

Yellow – Reference 886855

Standards: EN397:2012 + A1:2012

Ventilated ABS safety helmet. Mountain helmet style: without visor for the best vertical vision. Less encumbrance. Light. Polyamide cradle: 3 textile bands with 8 fixing points. Thermoformed sweat band. Innovative adjustable ergonomic system: head sizes 53 to 63 cm. Sold with 3 point chin strap.

APPLICATIONS

Special working at height. Building. Construction. Second work / craftsman. Wind energy.

STRONG POINTS

Optimized ventilation thanks to the fins system with increased protection from projections. Ergonomic clamping system. One-handed adjustment with or without gloves. Optimal support of the helmet with 3 removable attachment points chinstrap. Polyamide cradle for guaranteed comfort: 3 fabric bands with 8 attachment points. Good absorption of perspiration with the replaceable thermoformed sweat band. Optimal field of vision thanks to the design without visor, special for work at height.
