

art. **234**

**Morsa magnetica
Magnetic vice**

Indispensabile per lavorazioni di rettifica di pezzi difficili da bloccare con mezzi meccanici o con piani magnetici tradizionali.

Indispensable for adjusting pieces difficult to be clamped with mechanical means or with traditional magnetic chuck.

MORSA MAGNETICA / MAGNETIC VICE

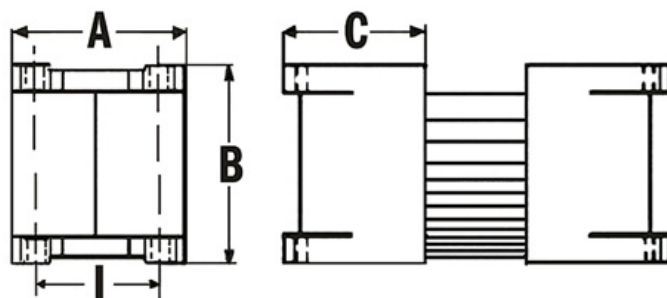

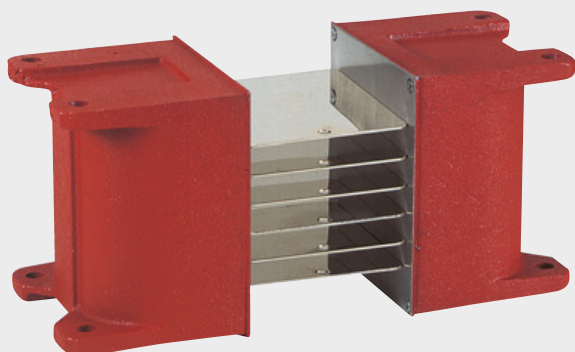

Art.	Dimensioni <i>Dimensions</i> [mm]	Peso <i>Weight</i> [kg]	Max temp esercizio <i>Max operating temp.</i> [°]
234.00	170x110x68	7,0	200

art. **227**

**Separatori magnetici in coppia
Magnetic sheet floaters**

Studiati appositamente per agevolare la rapida separazione di lamiere di ogni formato in ferro o acciaio. I magneti sono contenuti in cassa di alluminio pressofuso con piastra frontale in acciaio inossidabile.

Specifically designed to facilitate the quick splitting of iron or steel sheet metal of any size. The magnets are contained in a die-cast aluminium case with stainless steel frontal plate.

SEPARATORE MAGNETICO / MAGNETIC SHEET FLOATERS

Art.	Dimensioni <i>Dimensions</i>			Interassi <i>Centre distance</i>	Fori fissaggio <i>Mounting holes</i>	Peso <i>Weight</i>
	A [mm]	B [mm]	C [mm]	[mm]	[Ø mm]	[kg]
227.01	73	76	65	49,2	7,1	2,0
227.02	92	102	76	66,7	7,1	3,8
