King Size Pod

Ascend and descend the Industrial King Size Pod Step in safety thanks to the comfortable climbing angle and large 200mm treads. The large working platform allows the guardrails to be configured to suit your application for maximum safety.

- King size 600 x 600mm platform
- Extremely solid and stable design feels like standing on solid ground
- Extra-large 200mm deep treads for maximum comfort and support
- Supplied with one side railing as standard
- Optional side and rear railing sold individually
- EN14183

KING SIZE POD
