

ER32 TAPPING COLLET

Description

The extension inside the clamp allows axial compensation to the spindle inversion during your tapping applications.

Characteristics

Ref.	EAN	Diameter mm
868744	3660338225376	2,5
868745	3660338225383	2,8
868746	3660338225390	3,5
868747	3660338225406	4
868748	3660338225413	4,5
868749	3660338225420	4,5
868750	3660338225437	5
868751	3660338225444	6
868752	3660338225451	6,3
868753	3660338225468	7
868754	3660338225475	8
868755	3660338225482	8
868756	3660338225499	9
868757	3660338225505	9
868758	3660338225512	10
868759	3660338225529	11
