

# Cover plate VABB-L1-10-S

Part number: 566462

FESTO

 [General operating condition](#)

## Data sheet

| Feature                        | Value                                      |
|--------------------------------|--------------------------------------------|
| Grid dimension                 | 10.5 mm                                    |
| Operating pressure             | -0.09 MPa ... 1 MPa                        |
| Operating pressure             | -0.9 bar ... 10 bar                        |
| Approval                       | RCM trademark<br>c UL us - Recognized (OL) |
| Corrosion resistance class CRC | 2 - Moderate corrosion stress              |
| LABS (PWIS) conformity         | VDMA24364-B1/B2-L                          |
| Product weight                 | 10 g                                       |
| Note on materials              | RoHS-compliant                             |
| Material cover plate           | PA                                         |
