

Holder for Speed Controller Series *TMH*

RoHS

A holder for securing a speed controller (In-line type) with One-touch fitting.

Universal mounting

The holder can be used to secure an individual part.

Adaptable for the manifold application. Note 1)

Note 1) Mounting bracket is not available. This is an application example.

Note 2) When using a manifold, because of the cumulative absorption of dimensional variation, please use long holes for the bracket mounting holes on one side.

Can be mounted on the panel.

Specifications

Ambient temperature	-20 to 60°C
Material	Polypropylene
Color	White

Accessory: Round head Phillips screw for mounting (nickel plated)
