

WEIGHING PALLET TRUCK 2.5 T

Item #	EAN
867835	3660338217524

Description

Our weighing pallet truck is equipped with a weighing device offering many options. It is perfectly adapted to transport heavy loads while being precise thanks to its 4 sensors and functional for weighing operations.

The weighing system is a simple, economical, and robust weigher. It is equipped with a large LCD display for easy reading and its programming is very intuitive. The weights are indicated in 1 kg increments with an accuracy of 0.05%.

Operates with 4 AAA batteries.

Front and rear polyurethane wheels
