

FILE BELTS

Description

Zirconia file belts

Applications

Ferrous and non ferrous metals and wood

Strong points

Zirconia grain continually exposes new cutting surfaces for long belt life even on demanding applications

Characteristics

Ref.	EAN	Length mm	Width mm	Grain	Application
886347	3660338397806	457	19	P40	Ferrous and non ferrous metals and wood
886348	3660338397813	457	19	P60	Ferrous and non ferrous metals and wood
886349	3660338397820	457	19	P80	Ferrous and non ferrous metals and wood
