

Gr-4 GREEN LITHIUM GREASE

Article #	EAN	Product
895126	3660338474934	Green Lithium Grease

Description

Green multi-purpose lithium grease spray (in hydrocarbon solution).

High pressure, wear resistant, anti-corrosion, insoluble in water with good metal adherence.

Resistant to shear stress.

Application temperature -25°C to +180°C.

Reduces the need for frequent greasing.

Applications

For professional use only.

Ideal for lubrication and protection of metal objects, even in humid environments: general mechanics, industry, servicing and maintenance, work sites, garages, public construction works etc...

Suitable for chains, ball bearing, plain bearings and other bearing, operating under high loads or at a high speed (6,000rpm)

Characteristics

- Gross Volume	650 ml
- Volume net	500 ml
- Propellant	Propane / Butane
- Components	Please refer to the SDS

Instructions

Before use, carefully read the directions on the packaging and act accordingly.

Best application temperature 10 to 25°C.

Before use, vigorously shake the aerosol.

After use, turn the aerosol upside down & purge the nozzle.

Packaging

- Unit
- Box of 12 aerosols
