

3 PIECE 4-IN-1 RATCHET RING SPANNERS - METRIC

Description

With a multi profile design these wrenches fit five different fastener types, with each wrench covering four fastener sizes. A low profile head make these ideal for working in confined spaces. The precision 72 teeth ratcheting mechanism has a patented push button reverse and each wrench has a vacuum heat treated surface for durability. Will allow user to loosen fasteners up to 50% rounded off. Includes 3 spanners (mm): 8, 9, 10, 11, 12, 13, 14, 15, 16, 17, 18, 19
