

# Electrical interface VAEM-L1-S-24-PT

Part number: 573940

FESTO

 [General operating condition](#)

## Data sheet

| Feature                        | Value                                      |
|--------------------------------|--------------------------------------------|
| KC mark                        | KC-EMV                                     |
| Corrosion resistance class CRC | 2 - Moderate corrosion stress              |
| LABS (PWIS) conformity         | VDMA24364-B1/B2-L                          |
| Approval                       | RCM trademark<br>c UL us - Recognized (OL) |
| Product weight                 | 49 g                                       |
| Note on materials              | RoHS-compliant                             |
