

# Swivel flange SNC-50

Part number: 174385

FESTO

## Data sheet

| Feature                        | Value                                                                     |
|--------------------------------|---------------------------------------------------------------------------|
| Size                           | 50                                                                        |
| Short type code                | SNC                                                                       |
| Based on standard              | ISO 15552 (previously also VDMA 24562, ISO 6431, NF E49 003.1, UNI 10290) |
| Corrosion resistance class CRC | 1 - Low corrosion stress                                                  |
| Ambient temperature            | -40 °C ... 150 °C                                                         |
| Product weight                 | 234 g                                                                     |
| Note on materials              | Copper/PTFE-free<br>RoHS-compliant                                        |
| Material mounting              | Die-cast aluminium                                                        |
| Material bolt                  | Steel<br>Galvanised                                                       |
| Material screws                | Steel<br>Galvanised                                                       |
| Material lock                  | Spring steel<br>Galvanised                                                |
