7100260424	3M Xtract™ Portable Dust Extractor, 64193, 110 V, Plug Type EN60309, 1 per case	1	Each

### 3M Xtract™ Filter Bag

Using our 3M Xtract™ Filter Bag helps achieve maximum utility from your 3M Xtract Clean Sanding Discs because we designed 3M Xtract Clean Sanding products work together as a system to deliver superior results. Take portable, lightweight dust management to the next level by using a Filter Bag together with a powerful 3M Xtract Self-Generated Vacuum Random Orbital Sander (disc and tools sold separately).

- Part of the 3M Xtract™ Series, designed for optimal dust removal. Thorough dust collection enhances the performance of 3M Xtract Discs (sold separately)
- Filter is rated for optimal work environment
- Large and Extra Large sizes save time because operators can change bags less frequently
