## FOR POWER DRILLS

### END BRUSHES

Appearance can vary from picture depending on variant.

### END BRUSHES, CRIMPED WIRE, PLASTIC-BONDED EVOLUTION ★★★★★

End brush with plastic-bonded, crimped wire, high-end quality, for use on power drills and high-speed machines

- longer service life
- Higher removal rate
- Reduced wire breakage due to plastic bonding
- Lower effort, lower contact pressure
- TÜV-Süd certified (safety tested, production monitored)

**Applications:** Removal of thick layers of rust and stubborn impurities, deburring edges and cleaning complex contours.

■ Brass-coated steel / 0.30 ■
