

Rapid Prep Low Flex - Surface Blending Discs surface blending disc 115x22mm Coarse Brown Norton RAPID PREP

Artical Number: 66623378984

EAN: 3157629497081

SizeDerived: 115x22mm

Description

Rapid Prep discs have an open weave that excels in surface preparation and cleaning applications, thanks to a coating system that reduces smearing and resists loading. Each disc combines the cutting speed of a coarse grit with the finish of a fine grit, and so provides the lowest total cost of consumable tooling per work piece.

Features & Benefits

Achieve a burr-free, ready to paint finish in fewer steps without damaging the base material

General purpose product for blending, finishing, cleaning, and light deburring

Use with self-grip back up pads with locating centre pin
