

THERMAL HAT MALOY

Item #	EAN	Product
882876	3660338362996	ONE SIZE

Description

Warmth, Comfort, Well-being, Durability, Ease of maintenance

Thermal protection cap in Zargun® fiber.

Ideal as an under-helmet cap.

Zargun® is a natural barrier to infrared radiation, whether it comes from an external source or from the human body.

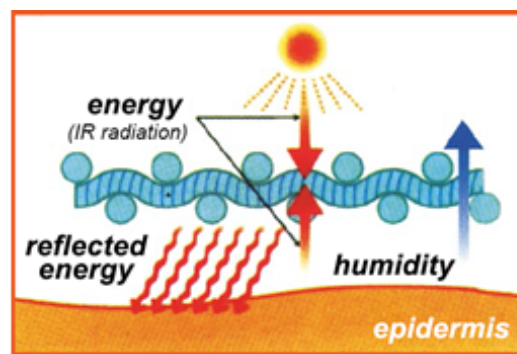

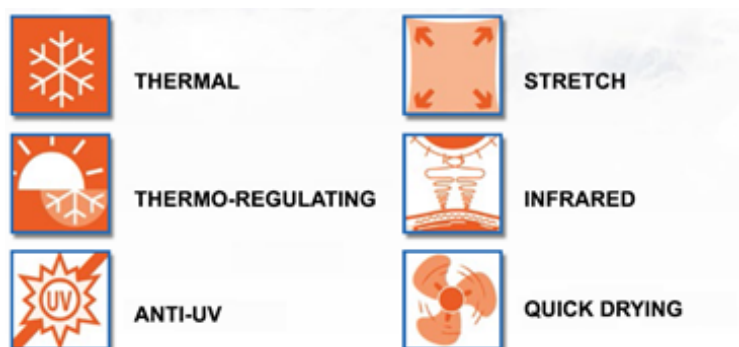

Characteristics

Zargun® fiber provides:

- Long-lasting molecular thermal comfort
- Durable mechanical elasticity
- Moisture evacuation
- Easy to maintain, soft touch

A special cross section thread helps wick away moisture and keep the body dry

The human body emits heat

Packaging

- Individually packaged/ Carton of 50 units
