Norton X-Treme Pro flap disc flap disc 115x22mm Gr40 Norton X-treme Pro

Artical Number: 78072723630

EAN:

SizeDerived: 115x22mm

Description

Norton flap discs are engineered for multiple applications including light stock removal, blending and finishing, meaning they can help reduce processing times and lower costs. Flap discs have a fast cut and provide a better finish than fibre while having the added benefit of a longer life.

Features & Benefits

Versatile product for heavy stock removal and quick cut rate on all materials

New ceramic grain formulation, with optimised grain regeneration

Features an additional supersize layer for cooler cutting, reducing heat generation during use for better part quality first and every time

Heavy abrasive density vs standard ceramic product

Supersize treatment to avoid burn marks

Polycotton cloth

Application Data

Material Application: STEEL,STAINLESS STEEL

Machine: Angle Grinder

Process: Grinding
