## Product Features:

- Excellent efficacy - Up to 104lm/W delivers more light using less energy
- ThermoTec™ technology utilises a combination of highly efficient LED light source, aluminium heat sinking and thermoplastic material for longer life and consistent performance
- EnFiniti™ edge-to-edge multifaceted polycarbonate lens creates low glare and halogen like appearance
- Wide 60° beam angle delivers increased light distribution
- 3 year warranty

## Product Specs:

|                          |           |                       |          |
|--------------------------|-----------|-----------------------|----------|
| Input Voltage            | 12~12V AC | Power Factor          | 0.5      |
| Operating Temp. (Max) °C | 85°C      | Overall Diameter (mm) | 50       |
| Lamp Base                | GU5.3     | Length (mm)           | 51       |
| Overall Height (mm)      | 51        | Lamp Type             | MR16     |
| Weight (Kg)              | 0.040     | Lifetime Hours        | 25000hrs |
| Operating Temp. (Min) °C | -40       |                       |          |

## Compliance & Approvals:

## Warranty:

This product has a warranty period of 3 Years. Warranties may be available on certain products as indicated in the product description. Warranties are valid from the date of purchase. The warranty is invalid in the case of improper use, installation, tampering, removal of the Q.C. date label or installation in an improper working environment or installation. Should this product fail during the warranty period it will be replaced free of charge, subject to the correct installation of the original product and subsequent return of the faulty unit. Aurora does not accept responsibility for any installation costs associated with the replacement of this product and Aurora reserves the right to alter specifications without prior notice.
