Cable jacket:	Plastic PVC																										
Number of poles:	4																										
Length of cable:	5 m																										
Plug shape:	Straight																										
Signal direction:	Input																										
Signal options:	Remote on/off, pulse, analog, Low level and empty tank																										
Net weight:	0.2 kg																										
Gross weight:	0.53 kg																										
Fits to the following product(s):	DDA, DDC, DDE, DME, DMX, DMH																										
Fits to variant:	DDE-P, DDE-PR, DMX-AR, DMH-AR																										
Finnish LVI No.:	4981100																										
Country of origin:	DK																										
Custom tariff no.:	85445990
