

## MOUNTED POINTS

Description

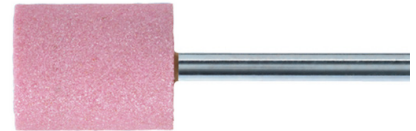

Mounted points ZY-Cylindrical

Applications

Steel and metal alloys

Strong points

Versatile highly refined pink aluminium oxide abrasive for good cutting performance and long-lasting profile tool.

### Characteristics

| Ref.   | EAN           | Diameter<br>mm | Grain | Shape            | Rod diameter<br>mm | Application | Length<br>mm |
|--------|---------------|----------------|-------|------------------|--------------------|-------------|--------------|
| 868096 | 3660338219597 | 5              | 100   | ZY - Cylindrical | 3                  | UNIVERSAL   | 10           |
